**Subject:** RE: Glyphosate- Response to JJ's Questions

Jess –

While there is a great deal of valuable discussion in your paper, I had a lot of suggested edits and comments. In general, I think the conclusions are sound, but the rationales need to be even more fleshed out to persuade a skeptical reviewer. See the attached file.

Please let me know if you have any questions or comments.

Thanks,

Bill

William Jordan

**Importance:** High

Jack et al.,

Here is my response to the 2 questions.

Sorry it took a while

JR

Jess Rowland,

Deputy Director  
Health Effects Division
